OCCUPATIONAL THERAPY ASSISTANT SUPERVISION FORM

All practicing Occupational Therapy Assistants are required to file a Supervision Form signed and dated by both the Assistant and the Supervising Occupational Therapist. It is the responsibility of the OT Assistant to have the Supervision Form filed with the Arkansas State Medical Board PRIOR to starting work and when supervision ends.

Regulation 6, Section 6.2 (E): "Before an occupational therapy assistant can assist in the practice of occupational therapy, he must file with the Board a signed, current statement of supervision of the licensed occupational therapist(s) who will supervise the occupational therapy assistant. Change in supervision shall require a new status report to be filed with the Board. Regulation 6, Section 6.2 (G): "Failure to comply with the above will be considered unprofessional conduct and may result in punishment by the Board."
