OCCUPATIONAL THERAPY LICENSURE INFORMATION PACKET

This packet contains all of the documents you will need to apply for an Occupational Therapy or Occupational Therapy Assistant license in Arkansas. This packet and each of its components are available on our website, www.armedicalboard.org. If you received this packet from a source other than directly from the Arkansas State Medical Board or its official website, the application may be outdated or not an official version. Please be advised that outdated or unofficial versions of the application will not be accepted.

*** IMPORTANT INFORMATION - PLEASE READ CAREFULLY ***

ABANDONED APPLICATIONS. Applications which are not complete after twelve (12) months will be classified as Abandoned and will be removed from our system. Further, pending applications will be listed as abandoned if the applicant does not communicate with the Board office for six (6) months. Abandoned files will be maintained for 30 days and then destroyed. No refunds will be given on abandoned/inactive applications.

APPEARING BEFORE THE BOARD. For your application to be placed on the Board Meeting agenda, it must be complete and all required documentation, including staff investigations, must be in this office. THERE ARE NO EXCEPTIONS TO THIS POLICY. Applicants who have disciplinary actions and/or impairment history may be required to make a personal appearance before the Board. If you are required to make a Board Appearance, you will be notified of the time and date of your appearance prior to the next scheduled Board Meeting.

APPLICATION FEES. The fee for an Occupational Therapy license is $4 (four). The fee for an Occupational Therapy Assistant license is $3 (three). There is an additional $1 (one) fee if you are requesting that a temporary permit be issued prior to full licensure. Fees must be included with your application at the time of submission. Payment may be made by check or money order payable to ASMB. Do not send cash.

APPLICATION REVIEW. The application review process is defined by the requirements set forth in state law. The Board and its staff must comply with those laws in processing applications. Applications are processed in the order in which they are received in our office and in the order verifications are obtained. THE BOARD DOES NOT ACCELERATE ONE APPLICANT OVER ANOTHER.

ARKANSAS MEDICAL PRACTICES ACT AND RULES. The Arkansas Occupational Therapy Act (Arkansas Code §17-88-101, et seq.) must be read in its entirety prior to submitting an application for an Occupational Therapy or Occupational Therapy Assistant license to the Arkansas State Medical Board. You MUST complete the Medical Practice Act and Rules Affidavit included in this packet. Applications received without this form will be returned. The Arkansas Occupational Therapy Act is part of the Arkansas Medical Practices Acts and Rules, which can be viewed and downloaded from our website, www.armedicalboard.org.

CHANGE OF ADDRESS. Rule 33 requires you to notify the Arkansas State Medical Board of any changes to your address within 30 days of such change. This includes your relocation to Arkansas, if applicable. A change of address form is available for download at our website, www.armedicalboard.org. Any address change MUST BE IN WRITING. The form must be fully completed, signed and dated. Once you are licensed, you may change your address online.
CHECKING THE STATUS OF YOUR APPLICATION. The Arkansas State Medical Board’s required form of communication is an interactive Applicant Portal system which allows communication between the Board and the applicant via the web. We have found that this system is a very effective communication tool and significantly reduces the time to licensure once your access identification has been assigned. You may access the Applicant Portal system from any computer at any time by visiting the Medical Board's web site at: http://www.armedicalboard.org.

When using the system, you will see a status bar which will show the percentage completed of your application process. Additional information regarding items that need your attention will be provided to you via a “Click here to respond” link on the “Applicant Portal Home” page. You will need to access your open items by choosing this link and providing a response to the items for which a response is requested.

This interactive system allows the licensing coordinator the time necessary to work your file as opposed to responding to numerous phone calls or e-mails from various interested parties checking on the status of your application. It also allows you to review the progress of your application at any time. You may wish to provide access to your application data to anyone whom you choose; however, once you allow this access, all communication in the system will be viewable. This means that all questions including health or disciplinary issues occurring in other states or institutions will also be viewable.

After all verifications have arrived, your file will be checked to ensure all time gaps have been accounted for in your time line. If they are not, you will be asked to document your activity during those specific times. Although this seems insignificant, it is very important to the Board. This step cannot be skipped.

Once all verifications have arrived and all time gaps filled, your application file will be presented for licensure consideration.

COMPLETING THE APPLICATION. READ THE INSTRUCTIONS FOR EACH QUESTION BEFORE ANSWERING. The application may NOT be submitted electronically or by fax, as we do require your original signature on the hard copy. Please type or print legibly in dark blue or black ink. Provide exact dates (mm/dd/yyyy) whenever possible. ANSWER ALL QUESTIONS/SECTIONS, even if your answer is “n/a,” “Not Applicable,” “None” or “Pending.” All signatures must be the applicant’s; stamped signatures, signatures by proxy, and signatures by power of attorney are NOT accepted for documentation or verification purposes. Make sure all required seals are affixed on the application, all questions have a response, and all documentation has been certified. Your application and verifications will be returned to you if they are incomplete or if photos are not attached where required. Pages must be printed on one side only. Two sided (front and back) applications will cause delays due to pages needing to be resubmitted.

CRIMINAL BACKGROUND CHECK. Act 1249 of 2005 authorizes the Arkansas State Medical Board to conduct criminal background checks (both state and federal) on ALL applicants for licensure. Arkansas Code 17-95-306 states:

(a) (1) Beginning July 1, 2005, every person applying for a license or renewal of a license issued by the Arkansas State Medical Board shall provide written authorization to the board to allow the Arkansas State Police to release the results of a state and federal criminal history background check report to the Board.

(2) The applicant shall be responsible for payment of the fees associated with the background checks.

If you live outside of Arkansas: Upon receipt in this office of your completed application and fee, a CBC packet, including forms and instructions, will be mailed to your private address for completion. You need to complete and return these forms at your earliest convenience as the Federal portion of this background check can take several weeks or more to process. ASMB will NOT accept a previously obtained criminal background check, regardless of how recently it was performed or what organization provides it. Payment for the CBC must be made by money order. Complete instructions will be provided in the CBC packet. It is vital that the completed CBC packet be returned to the Board in a timely manner as failure to do so will delay licensure.
If you live in Arkansas:
Upon receipt in this office of your completed application and fee, an email will be sent to you from Support@armedicalboard.org regarding the necessary steps to be fingerprinted so your criminal background check can be conducted. It is vital that you follow these instructions as soon as possible to avoid delay in the licensing process.

Act 630 of 2021 was enacted which amended A.C.A. 12-12-1005. Beginning September 1, 2021, paper fingerprint cards (FD-258) are no longer being accepted by the Arkansas State Police for Arkansas residents and requires that background checks must be submitted by electronic means only:

(d)(1) A background check request for a non-criminal justice purpose that must be completed under state or federal law through the Division of Arkansas State Police shall be submitted to the division by electronic means through the Arkansas State Police Criminal Background Check System.

(2) This subsection does not apply to a submission originating outside the State of Arkansas.

Any licensing applicant living within the state of Arkansas will be required to submit their fingerprints electronically via Arkansas LiveScan. Do not do this step until you have received an acknowledgement email from this office. Failure to do so will result in an unsuccessful transmission of your fingerprints.

LICENSE RENEWAL. Your Occupational Therapy or Occupational Therapy Assistant license, if granted, must be renewed annually on or before the last day of your birth month. There is no grace period. Your first renewal notification will be sent to you via e-mail 60 days prior to the end of your birth month. A follow up e-mail will be sent at approximately 45 days and a final e-mail notification will be sent 30 days from the last day of your birth month. Failure to receive notice is NOT considered an excuse for nonrenewal. Failure to renew before midnight on the last day of your birth month will cause your license to automatically expire. If your license expires, you will be assessed a $25.00 late fee to reinstate your license and you will be required to submit copies of your certificates of completion for continuing education units. *****REMINDER ***** It is illegal to practice occupational therapy in this state on an inactive or lapsed license or permit.

PROCESSING TIME. Processing delays are almost always attributable to lengthy work histories and delays in receiving the verification documents you request. If you have a history of malpractice, disciplinary action, impairment history, etc., additional time will be required for our investigation. Processing a permanent license application will take several weeks to complete. Please plan for this. Do not make commitments, purchase a home, or relocate your family before your Arkansas Occupational Therapy license has been granted. Applications are processed in the order in which they are received in our office and in the order verification documents are provided. The board does NOT accelerate one applicant over another.

SUBMITTING THE APPLICATION. The application may NOT be submitted electronically or by fax, as we do require your original signature on the hard copy and all fees to be paid at submission.

SUPERVISING OCCUPATIONAL THERAPIST. By law, Occupational Therapy Assistants are allowed to practice only under the supervision of a licensed Occupational Therapist. It is the responsibility of the OTA to keep this office informed of your current Supervising OT in Arkansas.

TEMPORARY PERMITS. You may request that a temporary permit be granted only if you meet the educational requirements and have NOT passed the NBCOT examination, so that you can begin working in Arkansas before the Board considers your request for a permanent license. Temporary permits can be issued only when every detail of the application process has been completed and is ready for Board approval. Temporary permits must be requested on the application and the required fee of $1 (one) must accompany your request. Temporary permits expire 30 days after the NBCOT eligibility date, and can be extended ONE time by submitting a written request and an additional $1 (one) fee. Issuance of a temporary permit does NOT guarantee that a permanent license will be granted. Completed files are submitted to the Board each
Thursday for consideration of a temporary permit, and all temporary permits granted can be verified online (http://www.armedicalboard.org/public/verify/default.aspx) on the following Friday after 2:00 pm.

**TIME GAPS.** Any time gaps of 30 days or more must be explained in writing. You will be notified of any unexplained time gaps and asked to provide an explanation. To avoid processing delays, please include a separate signed explanation of any time gaps of 30 days or more with your original application. Failure to address time gaps may result in delay of licensure.

**U.S. POSTAL SERVICE.** If you choose to utilize the U.S. Postal Service, please be advised that they do NOT guarantee delivery of first class mail, and they do NOT guarantee delivery of Certified mail. Based on the lengthy delays we have experienced in receiving mail that has been sent to us, we strongly recommend you utilize FedEx, UPS, or other guaranteed delivery service when sending your application or other documents to us. We further recommend that when sending verification requests to primary sources, you provide them with a prepaid FedEx, UPS or other delivery service envelope to ensure that their correspondence reaches us in a timely manner.

**VERIFICATIONS.** It is the policy of this board that ALL education and professional affiliations and other activities since graduation from Occupational Therapy School (or within the past 5 years whichever is less) be verified by the primary source prior to issuance of a permanent license. It is the applicant’s responsibility to request verifications and to follow up with organizations to ensure verifications are returned. Applicants are required to sign verification documents where indicated in Part II prior to sending to the verification source. The verifier’s signature can be original, stamped or computer-generated. All verifications can be faxed or e-mailed unless specifically requested to be mailed. To fax, send to (501) 296-1972, Attn: Licensing - OT. To e-mail, the document must be attached as an Adobe PDF file and sent to support@armedicalboard.org with “Attn: Licensing” in the subject line. Note that if the attachments are not sent in this format and to this address, they will be stripped by the firewall and will not be received by the intended recipient.

**WITHDRAWN APPLICATIONS.** Applications that are withdrawn by the applicant will be maintained for 30 days and then destroyed. No refunds are given on applications that are withdrawn.

**“YES” RESPONSES.** A “Yes” response in the attestation portion of the application does not mean your application will be denied. If you have responded “Yes” to any of these questions, additional time will be required for the gathering and assessment of pertinent information. You will be required to provide a separate, signed and complete explanation for each “Yes” response; you can expedite this process by including these with your original application. Failure to appropriately answer questions may result in an appearance before the Board for full licensure; disciplinary action; and/or denial of a license.
